1. Stakeholder Updates

1.1 Blundstone Arena

JK tabled the current confirmed match as Sunday, 2nd May at 1:10pm. The government have approved a 100% seated capacity with density restrictions still in play on The Hill and corporate areas.

1.2 Tasmania Police

TASPOL had nothing further to add.

1.3 Metro

CL reported that discussions with NMFC about an increased service are currently underway. Any changes that are to happen will be unlikely to take effect for the first game.

CL stated that a decision on the use of the Regatta needs to be made soon.

ACTION: JK to follow up with NMFC around the use of the Regatta grounds.

1.4 Resident Representative

SH had nothing further to add.

1.5 Clarence City Council

AB asked if potential future match dates could be sent to the committee.

AB noted that, although not relevant to the upcoming match, for weekday games moving forward temporary bus stop information needs to be included in the Notice to Residents.

AB sought confirmation that cleaners will include cigarette butts in their pickup around the venue.

AB confirmed that the Beach Street Parking lot will be used for the first game.

ACTION: JK to circulate proposed weekends for future AFL games.

ACTION: JK to speak to cleaners about cigarette butts.

ACTION: AB to send through to JK parking permit for Beach Street.
